

CARE ONLINE ORTON-GILLINGHAM EDUCATIONAL THERAPY

2-3 TIMES A WEEK, 1-HOUR, CUSTOMIZED, MULTISENSORY, INTERACTIVE, TECHNOLOGY-ENABLED, ONE-ON-ONE, SESSIONS THAT PROVIDE GRADE 3 + WITH THE LITERACY SKILLS THEY NEED.

THE FOCUS IS ON DEVELOPING KEY AREAS OF LANGUAGE (DECODING, ENCODING, HANDWRITING, WRITTEN EXPRESSION, AND COMPREHENSION SKILLS).

THIS PROGRAM INTEGRATES EMOTIONAL/SOCIAL ELEMENTS CREATING A NON-THREATENING ENVIRONMENT FOR THE LEARNER.

THE ORTON-GILLINGHAM APPROACH

- Recognized by the literacy experts as the Gold Standard for treating dyslexia and language-based difficulties.
- Developed in the early 1900s/ over 35 years of research supporting its effectiveness.
- Validated by leading organizations like the International Dyslexia Association (USA, <https://dyslexiaida.org/>).

ABOUT CARE

- CARE practitioners have a minimum training at the Associate Level of the Academy of Orton-Gillingham Practitioners and Educators (AOGPE, USA <https://www.ortonacademy.org/>).
- Our students show consistent measurable results and improvements in their overall language proficiency. They progress to achieve better grades in school and continue to succeed academically.
